CURRENT BUSINESS.....Committee

CEU would still like to sponsor an in-person visit. The group discussed a visit in May. It was determined Tuesday, May 16th would be the best time for everyone. CEU was not present at the meeting so we need to check with Hank and Geniva. Weber State offered to give-up hosting the August meeting to CEU for this year if that would work better for CEU. Weber would then be on the docket for the next 'in-person' meeting. We need to definitely finalize these meetings in May and August at our next UHESA meeting in March.

NEXT MEETING TIME

Wednesday, March 8, 2006, via conference call. Mike will lead the meeting. Laurie will be excused.

Barbara motioned we adjourn. Jennifer seconded. Meeting adjourned at 12:55 p.m.

Thank you letters sent to 25 legislators.
