Will actively find ways to support both USHE and individual institutions in their efforts to complete degrees.

Sample of initiative:

To help postsecondary institutions reengage stopped-out students and narrow educational gaps, the Institute for Higher Education Policy (IHEP) launched Degrees When Due, a three-year initiative to help more students cross the degree-completion finish line.

Remember to check Slack often for important conversations and information...Thank You!

2:35 PM | Discussion

Fall Conference – Overview

Discussed to strengthen our relationship with USHE and their initiatives.

What can we do to support new staff employees and all staff employees to help them recognize their values?

UHESA would like get stats of employees who are transferring locations within the same institution vs leaving institution.

How we can collaborate with USHE is pending
