**Business Items.....Jennifer Evans**

There was no business items.

**Legislative Update.....Butch Steffen**

Butch would like each institution to get their enrollments for 06-07 and bring them to the UHESA Conference at USU in August.

Butch brought up the immigration issue and said that it may come up again and wanted to know where we stood with it. Right now in Higher Education as long as they meet the requirements they want them to enroll. Jim brought up that it is a touchy subject and he doesn't think that we should get involved with the issue. There are a lot of people that don't agree with it. We decided to wait and see what happens on the Federal Government Level before we make any decisions. There are over 100,000 undocumented students in Utah.

Butch would like to have the Legislative Liaison be members that are not on the UHESA Executive Committee.

Robin Mullins will be the University of Utah Legislative Liaison.

**OTHER BUSINESS ITEMS.....Committee**

Jennifer said that she would send out a USHE Health Insurance Plans documents from 2006-07. It will be easier to compare the Universities than what we talked about at UVSC.

Jennifer also encouraged everyone to look at the Website and bring any changes to the conference.

UHESA Conference will be on August 9<sup>th</sup> and 10<sup>th</sup> of August at USU. Jill is finalizing the conference. Barbara will get the registration and dues invoices out to everyone soon.
